

## Flexiload bags

### Characteristics:

- high load capacity
- strong sealing
- 8 colours flexo-print
- printed gusset
- rain-protective cover
- consistent quality control
- guaranteed traceability

As a specialist in carrier bags, we offer flexiload bags in LDPE, MDPE or HDPE, their main characteristic beside plastic loop available in different colours being bottom gusset which increases bag's volume and enhances its suitability for shopping purposes. Its load capacity is further increased by specially reinforced upper edge. Additional option is rain-protective cover on the top. All the bags can be high quality flexo-printed in up to 8 colours.
