

LDPE thermo-shrink films

We developed LDPE thermo-shrink films especially for group packaging. Special additives for enhanced thermo shrinking enable the film to shrink heavily under heat treatment and thus stabilize packaged goods.

Characteristics:

- thermo shrinking according to customers' needs
- stabilization of packaged goods
- consistent quality control
- guaranteed traceability for each roll (control number)

LDPE thermo-shrink films

Material:	LDPE
Colouring:	transparent film
Type:	film
Film width:	200 mm - 1.600 mm
Film thickness:	50 my - 200 my
Tube:	76 mm

Economical

Eco friendly

Tear resistant
