

## Punched-out handle bags with reinforced upper edge

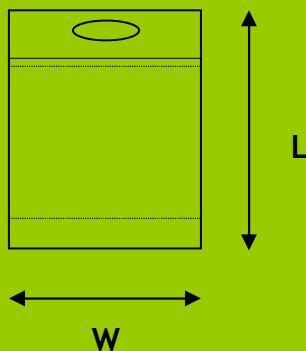

Due to their higher load capacity, punched-out handle bags with reinforced upper edge are suitable for carrying heavier items. It's possible to order them in LDPE, MDPE or HDPE as individual bags or in block, printed in up to 8 colours. The following styles of punch-out are available: oval punch-out, partial punch-out, bean punch-out and euro punch-out.

### Characteristics:

- LDPE, MDPE or HDPE
- reinforced upper edge for improved load capacity
- side gussets or bottom gusset for increased volume
- bag types: individual or blocked
- 2-sided 8 colours flexo-print
- printed gusset
- consistent quality control
- guaranteed traceability

### Punched-out handle bags

Material:	LDPE, MDPE, HDPE
