65 x 1	250	transparent

Others upon request.

PP bags:

Dimensions (cm)	Units/bale	colour
40 x 60	500	
50 x 80	1.000	
60 x 105	250	
60 x 110	250	
65 x 115	200	
65 x 135	200	
90 x 140	500	
120 x 180	500	
180 x 220	500	

Others upon request.

PE in PVC tarpaulins

PE and PVC tarpaulins are common and widely used in many ways and fields such as industry, agriculture, household, sports and recreation. They are made from non-toxic, fully recyclable materials, insensible to a wide range of chemicals. A coating layer guarantees 100% water impermeability. PVC tarpaulin's main advantage is a much higher tearing strength and sustainability.
